Also, is the rate for care in a juvenile correctional facility the same as the rate for care for juveniles transferred from a juvenile correctional institution? In the draft they are the same (\$298 in FY 14 and \$305 in FY 15).

Hi Peggy,

There were a few changes to the juvenile daily rates in the this draft:

|                                | FY14  | FY15  |
|--------------------------------|-------|-------|
| Juvenile Correctional Facility | \$297 | \$304 |
| Aftercare                      | \$41  | \$41  |

The rates for corrective sanctions did not change.

Jason is no longer with the office so I am working on all drafts that he submitted.

Thanks!

Hi Mark-

I'm not sure if you're the right subject area, but I thought I'd take a shot.

We would like to draft a bill that puts a cap on interest paid to homeowners whose properties are incorrectly zoned and are due a tax refund because of it. The other part is a cap on interest rates that homeowners are charged for special assessments when the costs are deferred. Both would be pegged to the average annual discount rate of a 6-month U.S. Treasury Bond.

Thanks!

**CORRECTIONAL SYSTEM**

**JUVENILE CORRECTIONAL SYSTEM**

Under current law relating to community youth and family aids, generally referred to as "youth aids," DOC is required to allocate various state and federal moneys to counties to pay for state-provided juvenile correctional services and local delinquency-related and juvenile justice services. DOC charges counties for the costs of services provided by DOC according to per person daily cost assessments specified in the statutes (the "daily rate"). Currently, the daily rate is \$289 for care in a Type 1 juvenile correctional facility, \$289 for care for juveniles transferred from a juvenile correctional institution, \$100 for departmental corrective sanctions services, and \$40 for departmental aftercare services.

Under this bill, the daily rates are as follows:

1. For fiscal year 2013-14, the daily rate is \$297 for care in a juvenile correctional facility, \$297 for care for juveniles transferred from a juvenile correctional institution, \$125 for corrective sanctions services, and \$41 for aftercare services.

2. For fiscal year 2014-15, the daily rate is \$304 for care in a juvenile correctional facility, \$304 for care for juveniles transferred from a juvenile correctional institution, \$128 for corrective sanctions services, and \$41 for aftercare services.

For further information see the ***state and local*** fiscal estimate, which will be printed as an appendix to this bill.
